

G. G. BATTLE FEARS NEPHEW IS KILLED

Lieutenant Wounded July 18
and Relatives Believe He
Has Died Since.

NOT IN CASUALTY LIST

Was Assistant on Staff of Dis-
trict Attorney and a Platts-
burg Man.

Lieut. John Manning Battle, nephew of George Gordon Battle, lawyer, 37 Wall street, has been wounded. He was an assistant on the staff of District Attorney Edward Swann and was well known among the younger attorneys.

According to word received by George Gordon Battle from his brother, Gaston Battle, Hopewell, Va. Lieut. Battle's father, the Lieutenant was wounded July 18, and it is believed by his relatives that he must have died since, although his name has not appeared in the official lists.

Lieut. Battle was a graduate of the University of North Carolina and afterward studied law at Fordham University, later entering the law office of his uncle. He enlisted for the Plattsburg training camp in May, 1917, and received his commission three months later, sailing for France almost immediately as a Second Lieutenant. Twenty-third United States Infantry. He was later promoted to First Lieutenant, and when wounded had been recommended for promotion to Captain. He was 28 and unmarried.

Has Won War Cross.

Lieut. Paul Daly, 27, twice wounded, has received the French war cross and the cross of the Legion of Honor for gallantry, according to a letter received by his father, Daniel Daly, 31 East Forty-ninth street, and is recovering from his wounds at a base hospital.

Mrs. Mary De Gaglia, 118 East 118th street, refuses yet to believe that her brother, Corporal Anthony Juliana, is a prisoner, although he has been listed as missing in action since July 19. Mrs. De Gaglia has a letter from him dated July 25, in which he told of capturing five Germans and having been stabbed by one of them as he was making his way back to his own lines.

As a souvenir Mrs. De Gaglia exhibited a German cigar lighter her brother had sent to her husband, along with some twenty mark German bills. "My brother has been in the army six years and knows pretty well how to take care of himself. I don't believe he is missing, and am sending him some money, candy and tobacco by an army friend returning to France in a few days," she said.

Four Brothers in Army.

Sergeant Michael Lamorte, 19, forty-seventh U. S. Infantry, has been severely wounded and is in a base hospital in France, according to his parents, Mr. and Mrs. Samuel Lamorte, 1014 East 111th street, New York City.

Word was received by relatives in Montclair yesterday that Private Antonio Mongio, 26, had been seriously wounded and was in a military hospital. He trained at Camp Dix.

Isadore Rosenberg, missing in action, is one of four brothers in service, none of Mr. and Mrs. Rosenberg, 1277 New York street, West New York.

He enlisted a year ago in Company M, Fourth New Jersey National Guard, and was afterward transferred to the Federal service. He has been in France about three months and in his last letter said he had been in several sharp engagements, but had not been hurt.

OFFICERS SLAIN AT FISMETTE

Delayed News of Fate of Three
Pittsburg Men Is Received.

By the Associated Press.

WITH THE AMERICAN ARMY IN FRANCE, Aug. 18 (delayed by censor).—The fighting in the region of Fismette last night was one of the most violent character, the Americans being determined to hold the village at all costs.

The casualties of the first week included Capt. Orville R. Thompson, Pittsburg, who was killed by a grenade in the village of Fismette in a hand to hand encounter. The Germans held the northern half of Fismette and the Americans the southern half. Capt. Thompson and a detachment were making a charge in an effort to oust the enemy when Thompson met his death. He was a former member of the Pittsburg Hockey Association.

Lieut. Frank Glendinning, also of Pittsburg, was killed in the fighting about Fismette. He became entangled in the German barbed wire and was shot by a German machine gunner. Glendinning received his commission after his arrival in France.

Lieut. Ralph Bush, who had relatives in Kansas and who before the war was an employee in the Government's bureau of mines in Pittsburg, was killed by shrapnel, west of Fismette, in an attack by the Germans.

Second Flier Reported Dead With

SAN ANTONIO, Tex., Sept. 8.—An-
nouncement was made today that Private Harvey A. Bry also was killed yesterday when Lieut. Walter F. Buck, New London, Conn., fell 4,000 feet with his machine. Bry's home was at West End, Wis.

Kelly Field officials now attribute the accident to a wing collapse, as the result of breaking wires. It is stated that no sign of fire was found in the wreckage.

FRANCE TO WAGE TRADE WAR

Boret Tells Policy as First Cold
Storage Ship Is Commissioned.

HAVRE, Sept. 8.—Victor Boret, the
Food Minister, presided today at the ceremony of putting into commission the steamship Belle Isle, the first cold storage vessel France has equipped.

The Belle Isle is built to carry 3,000 tons of cold storage meat on each trip.

M. Boret announced that another cold storage steamship was being constructed and that others would be built. He paid his compliments to Belgium.

"The Belle Isle," said M. Boret, "is a symbol of our common will to pursue an economic battle with our military battle and to assure an economic victory after the military victory."
